

## Trucks, Cranes, and Bulldozers

1. List as many construction vehicles as you can.
2. Pick three different construction vehicles to learn more about. What is their main job? How do they work? Who operates them?
3. Learn the memory verse. Psalm 25:4 (ESV)
4. Play a construction vehicles game.
5. Do a puzzle involving construction vehicles.
6. Watch a video about construction vehicles.
7. Do a craft about a construction vehicle—a diorama with construction vehicles, posters/pictures, crafting a vehicle model, etc.
8. Make a collection of construction vehicles Adventurers have at home and let them share/talk about them.

### Helps

1. Bulldozer, cement truck, backhoe, dump truck, loader, crane, fork lift, jackhammer, delivery truck, excavator, fuel truck, flatbed truck, etc.
2. The library or online will give you information.
- 3.
4. Bingo, matching game, concentration, etc. (lots of ideas online).
5. Either a store-bought puzzle or make your own with a picture of a construction vehicle that you paste onto cardboard then cut up.
6. Online is a great source.
7. Use egg cartons, scrap wood, etc. Many ideas online.
8. Adventurer parents may operate some of these vehicles for their work or an Adventurer may have a Matchbox (or other) collection. This could be a Show and Tell type time for your kids/families.
