

# Seven Amazing Days

1. Memorize Genesis 1:1
2. Who created this earth? Why?
3. What was created on each of the days of creation?
4. What is extra special about the seventh day of creation?
5. Do a project that depicts all seven days of creation.
6. Do two activities about the days of creation.

## Helps

1. If you have older Adventurers, you can have them learn more of the verses. At least read with them the verses that tell the whole creation story. Genesis 1:1-31 and 2:1-4
2. God. Because He wanted to make a beautiful place for us to live. He wanted to spend time with us here.
3. Day 1—light, day/night. Day 2—earth, sky. Day 3—land, trees, vegetation. Day 4—sun, moon, stars. Day 5—fish, birds. Day 6—animals, man. Day 7—Sabbath.
4. God created the Sabbath as a day to spend time together with the people he created. Even though we don't live in Eden He still wants to spend time with us every day and a special day with us on Sabbath.
5. Something like a pocket craft, a creation cube, a mobile, a booklet, a lapbook, a story chart. You can find ideas online.
6. The activities can be skits, experiments, a visit to a zoo, planting a garden. So many possibilities. Ideas online.
