## Helps

1. The careful and responsible management of something entrusted to one's care is a possible meaning. What is your group's definition?
2. Your body, the earth, your time, your money (tithing can be explained when you talk about money), your talents are possibilities.
3. *Use whatever gift you've received for the good of one another so that you can show yourselves to be good stewards of God's grace in all its varieties.* 1 Peter 4:10 VOICE Translation. This translation is easier than some for Adventurers to understand but there may still be concepts they need to have explained.
