In an attempt to support and encourage Women's Ministries events in the Northern California Conference the annual Women's Ministries Offering will be available on a grant basis for local church events. The grant request needs to be received 60 days prior to the event to the Women's Ministries leader and supported (signed) by the local church pastor. You may apply for funds on a 60/40% basis up to \$300.

**A report of the event and an accounting of funds should be made following the event.**

If the event does not take place, the funds are to be returned to the Northern California Conference Department of Women's Ministries.
